

The NSW Association for Youth Health and NSW Youth Health Council

Forum on Health Reform and Youth Youth

Wednesday 8 December
Level 5 Lecture Theatre
Brain and Mind Research Institute
94 Mallett Street
Camperdown NSW 2050

Objectives of the Forum

- *To increase the Youth Health sector's understanding and knowledge of issues related to health reform*
- *To facilitate discussion and explore issues relating to youth health in the context of the current reform environment*
- *To identify issues for further advocacy (including potential issues related to the implementation of the Youth Health Policy)*
- *To prepare the youth health sector for consultation meeting with Elizabeth Koff (CE NSW Kids) and Dr Richard Mathews (DDG NSW Health)*
